

Fundraising Event Volunteer Specification

Responsible to: Fundraising Team

Location: Queenscourt Hospice, Southport

Background:

Queenscourt Hospice is a local charity and the primary provider of specialist palliative care and support to people in Southport, Formby and West Lancashire with a life-limiting or terminal illness. One in three people will be touched by hospice care and in fact Queenscourt Hospice cares for and supports over 1,900 patients every year and also supports patients' families through our *Stepping Stones* programme which provides bereavement support.

Alongside this, Queenscourt Hospice also works with Edge Hill University to provide education to medical professionals in end-of-life care and palliative care. In 2001, we opened the Terence Burgess Education Centre which was named after Terence Burgess, former surgeon to Southport and Ormskirk District General Hospital and the first Chairman of the Queenscourt Hospice board of Trustees.

With less than a fifth of our funding from the NHS, Queenscourt relies very heavily on our community of volunteers and fundraisers, to continue to offer their services for free to support our patients with the compassionate care they are used to.

Purpose:

Our volunteers are important to us, and we want to give you the best opportunities possible to ensure this experience is meaningful and enjoyable.

We provide as much flexibility as we can with the tasks required and will keep you informed of new activities and offer dates and times that need filling to suit your availability.

Fundraising Event Volunteers are the face of Queenscourt Hospice and will help to raise awareness of the hospice in our community by attending events with a pop-up stall where we can fundraise and hand out literature.

This is a really important role as it helps us to engage with our community, reach new people, inspire new supporters, thank our existing supporters, build relationships and to also have some fun. By becoming a Fundraising Event Volunteer, you are helping to make a difference to patients and families throughout West Lancashire, Southport & Formby.
