# ABOUT US

**Queenscourt Hospice is the primary provider of palliative care across West Lancashire, Southport and Formby. We care for over 2,000 individual patients each year, alongside providing vital support to all those important to them.**

We provide access to Specialist Palliative Care either at home (including care homes), hospital or in Queenscourt via the Inpatient Unit or as an Outpatient. Queenscourt at Home supports patients, and those important to them, to be cared for in their own home, if that is their preference.

During Queenscourt's 30 years of compassionate care, our services have always adapted to meet the needs of our local communities. Our commitment to providing exceptional palliative care, and broadening conversations and knowledge about end-of-life care, remains at the heart of everything we do.

**As a small local charity with a big reach, we need the ongoing support of our wider community so that #teamqueenscourt can continue to be care for people with life-limiting illnesses, when they need us the most.**
