ABOUT US

Queenscourt Hospice is the primary provider of palliative care across West Lancashire, Southport and Formby. We care for over 2,000 individual patients each year, alongside providing vital support to all those important to them.

We provide access to Specialist Palliative Care either at home (including care homes), hospital or in Queenscourt via the Inpatient Unit or as an Outpatient. Queenscourt at Home supports patients, and those important to them, to be cared for in their own home, if that is their preference.

During Queenscourt's 30 years of compassionate care, our services have always adapted to meet the needs of our local communities. Our commitment to providing exceptional palliative care, and broadening conversations and knowledge about end-of-life care, remains at the heart of everything we do.

As a small local charity with a big reach, we need the ongoing support of our wider community so that [#teamqueenscourt](#) can continue to be care for people with life-limiting illnesses, when they need us the most.

ABOUT THE EVENT

Queenscourt Hospice is delighted to be hosting the **Queenscourt Invitational 2026**, offering local businesses and supporters the opportunity to enjoy a prestigious day of golf while raising vital funds for local hospice care. Held at the beautiful Hurlston Hall Golf Club, this popular annual event brings together teams from across West Lancashire, Southport and Formby for a memorable day of sport and networking.

Following the success of last year's Golf Day, which raised over £15,000 for Queenscourt Hospice, we are thrilled to be returning to Hurlston Hall on Friday 5th June 2026. This year's event will include a Team Stableford competition with a shotgun start.

The day will include breakfast on arrival, 18 holes of golf, a two-course dinner, and live entertainment, creating an outstanding experience for all participants while helping Queenscourt continue to support patients and families across our community.

By sponsoring the Queenscourt Invitational, your business will be:

- Promoted to local businesses and supporters across West Lancashire, Southport and Formby by linking up with a well-loved local charity
- Enhancing its Corporate Social Responsibility credentials and demonstrating to customers that you care
- Supporting your local hospice and helping #teamqueenscourt to continue providing exceptional palliative care for people with life-limiting illnesses
