ABOUT US

Queenscourt Hospice is the primary provider of palliative care across West Lancashire, Southport and Formby. We care for over 2,000 individual patients each year, alongside providing vital support to all those important to them.

We provide access to Specialist Palliative Care either at home (including care homes), hospital or in Queenscourt via the Inpatient Unit or as an Outpatient. Queenscourt at Home supports patients, and those important to them, to be cared for in their own home, if that is their preference.

During Queenscourt's 30 years of compassionate care, our services have always adapted to meet the needs of our local communities. Our commitment to providing exceptional palliative care, and broadening conversations and knowledge about end-of-life care, remains at the heart of everything we do.

As a small local charity with a big reach, we need the ongoing support of our wider community so that [#teamqueenscourt](#) can continue to be care for people with life-limiting illnesses, when they need us the most.

ABOUT THE EVENT

The Queenscourt Corporate Sleepout is a unique fundraising event bringing together businesses from across West Lancashire, Southport and Formby for one unforgettable night in support of Queenscourt Hospice.

This June, corporate individuals and teams will swap the comfort of their beds for a night outdoors at Burscough Football Club, standing in solidarity with those facing hardship and vulnerability in our community.

Participants will be provided with only a piece of cardboard to sleep on, however they are welcome to bring their own sleeping bags, blankets, warm clothing and coats if they wish.

Each participant will pay a registration fee and commit to raising sponsorship, helping Queenscourt Hospice continue providing exceptional care and support to patients and families when they need it most.

At the start of the event, there will also be a chance to network with participants and other sponsors before beginning some team building activities.

By sponsoring the Queenscourt Corporate Sleepout Challenge, your business will be:

- **Supporting your local hospice and helping #teamqueenscourt provide vital care**
- **Enhancing Corporate Social Responsibility through meaningful community action**
- **Promoted alongside a trusted and well-loved local charity**
- **Helping deliver an impactful and sustainable corporate fundraising event**
