2026

ABOUT US

Queenscourt Hospice is the primary provider of palliative care across West Lancashire, Southport and Formby. We care for over 2,000 individual patients each year, alongside providing vital support to all those important to them.

We provide access to Specialist Palliative Care either at home (including care homes), hospital or in Queenscourt via the Inpatient Unit or as an Outpatient. Queenscourt at Home supports patients, and those important to them, to be cared for in their own home, if that is their preference.

During Queenscourt's 30 years of compassionate care, our services have always adapted to meet the needs of our local communities. Our commitment to providing exceptional palliative care, and broadening conversations and knowledge about end-of-life care, remains at the heart of everything we do.

As a small local charity with a big reach, we need the ongoing support of our wider community so that #teamqueenscourt can continue to be care for people with life-limiting illnesses, when they need us the most.

ABOUT THE EVENT

Queenscourt Hospice is proud to be working in partnership with RunThrough Events for a second consecutive year, offering supporters the opportunity to take part in some of the region's most popular 10k races while raising vital funds for local hospice care. RunThrough Events are a leading UK race organiser, known for delivering professionally organised, inclusive and accessible events that welcome runners of all abilities.

Following the success of our partnership in 2025 - where the Southport Seaside 10k and Everton 10k together raised over £15,000 for Queenscourt - we are delighted to be expanding our RunThrough programme for 2026. Through this partnership, Queenscourt is able to offer guaranteed charity places across all three events, providing supporters with memorable running experiences while helping us continue to deliver compassionate care to patients and families across our community.

By sponsoring this event, your business will be:

- Promoted to local residents across West Lancashire, Southport and Formby by linking up with a popular and well-loved local charity
- Enhancing its Corporate Social Responsibility credentials and be able to show your customers you care
- Supporting your local hospice and helping #teamqueenscourt to continue to provide exceptional palliative care for people with life-limiting illnesses
